

## Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has THE BADGE OF HONESTY on every bottle-wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, disagreeable, catarrhal, pelvic drain, dragging down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a secret nostrum as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

## PROVISIONS STILL HIGH.

Local housekeepers are apprehensive lest the coming of the Legislature and its followers will keep the price of provisions, and especially country products, such as butter, eggs and kindred articles, up to the high price which at present prevails. If, indeed, they are not boosted to a more formidable figure. Groceries, meats, and other articles of daily consumption are soaring, and those families whose earnings are necessarily small during the winter season are almost sure to suffer privations of a more serious nature in consequence. While the advent of the Legislature, and other large crowds, is a benefit to many branches of the local trade, considerable hardship is visited on the working classes in consequence. "No rose without its thorns," an old and true saying that holds good under any and all circumstances.

## SEVEN YEARS PROOF.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs and colds and for every disease condition of throat, chest or lungs," says W. V. Henry, of Panama, Mo. The world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs and colds la grippe, hemorrhage, hay fever, bronchitis, and the early stages of consumption. Its timely use always prevents developments of pneumonia. Sold under guarantee at all drug stores. 50c. and \$1. Trial bottle free.

## ANTIQUE PLAY BILL.

In cleaning out a drawer of some old papers in the Roundabout office one day this week, a play bill which told of a performance at the old Frankfort Theatre was found. The bill was dated January 26, 1824, and the playhouse named was located on the corner of Broadway and St. Clair, on the site of the present Baxter building. It was then under the management of a Mr. Drake, who, it appears, operated a stock company in the Capital City during the winter season.

The poster is a little yellow with age but is otherwise intact and the printing was executed at the old Commonwealth office, which for many years held the contract for the public printing. It would be interesting to know if there is at the present time one citizen of Frankfort or Franklin county who can recall the old theatre when it was in operation, or Mr. Drake, its manager. It is almost certain that there is no one living who can recall these times.

## SOME STREETS IN BAD CONDITION.

Notwithstanding the efforts of the Street Committee during the fall and

summer months to place the roadways of the city in a condition to withstand the test of wintry weather, some of them are in a condition bordering on the impassable, and there appears to be no remedy at present available to adjust matters. When spring is here again, the city authorities should see to it that the roadways of the different streets, on which heavy hauling is constant, are surfaced in a manner so thorough as will make them weather proof by the time next winter shall have arrived.

## SPLENDID MAN FOR POSITION.

The host of friends of Mr. Bain Moore, of the Benson precinct have prevailed upon him to offer as a candidate for the position of Jailer of Franklin county, and he will make the race for the Democratic nomination for that place.

Mr. Moore is a first-class man, a gentleman and a Christian. He would make a splendid jailer, and while we, of course, have nothing to do with the primary or convention that may be called to decide the question, the party would do itself honor by bestowing this position upon Mr. Moore. He deserves anything he asks for.

## LARGE CROWD MONDAY.

The January term of the Franklin Circuit Court will convene Monday, when the county court will also be in session. The grand jury will begin their sessions on that day, and the Association tobacco men of the county will meet in the afternoon. As most of the members of the Legislature, and many strangers will be here on the same occasion, a record breaking crowd will no doubt be present, and the capacity of the hotels, restaurants and boarding houses will be taxed to their full capacity to accommodate the many visitors within the gates of the Capital City on the day mentioned.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Health Coffee" is really the produced. Not a grain of real coffee in it either. Health Coffee Imitation is made from pure toasted cereals of grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for Coffee. H. S. Wash.

UNO.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses, the "Sacred Herb." Always demand Dr. Shoop's Cough Cure.

Heart Trouble Baffled Doctors.

Dr. Miles' Heart Cure and Nerve Cure Me.

There is nothing more necessary to health than sleep and rest. If these are denied you, if you rise in the morning more tired than when you went to bed, there is an affection of the nerves plainly present. If your heart is weak, or there is an inherited tendency in that direction, your weakened nerves will soon so affect your heart's action as to bring on serious, chronic trouble. Dr. Miles' Nerve is a nerve tonic, which quiets the nerves, so that sleep may come, and it quickly restores the weakened nerves to health and strength. Dr. Miles' Heart Cure is a great blood and heart tonic which regulates the action of the heart, enriches the blood and improves the circulation.

"Some time ago I was suffering severely with heart trouble. At times my heart would seemingly stop beating and at others it would beat loudly and very fast. Three to four hours sleep each night in ten months was all I could get. One week in last September I never closed my eyes. I got Dr. Miles' Nerve and Heart Cure at a drug store in Lawrenceburg, after spending \$300.00 in medicines and doctors in Louisville, Shelbyville, Frankfort, Cincinnati and Lawrenceburg, and in three days have derived more benefit from the use of your remedies than I got from all the doctors and their medicines. I think everybody ought to know of the marvelous power contained in your remedies."—W. H. HUGHES, Fox Creek, Ky.
